

Instructions: Complete the story using the correct answers from the crossword puzzle or the glossary of terms.

## The Story of Coffee

\_\_\_\_\_ is a major product that is shipped through the Port of New Orleans. It is an \_\_\_\_\_ product that comes from other countries such as Guatemala, Honduras, \_\_\_\_\_ and Brazil. It is shipped in \_\_\_\_\_ which are also called steel boxes. These boxes hold tons of coffee beans. The boxes travel through a body of water called the Gulf of \_\_\_\_\_ to reach New Orleans. Once the boxes arrive, they are unloaded from the \_\_\_\_\_ and loaded onto \_\_\_\_\_. The coffee is delivered to local coffee processing companies which will clean, blend, roast and package the coffee. Then it is delivered to local \_\_\_\_\_ stores where consumers like your mother or father can purchase it.
