

**ADDENDUM NO. 3
RIVERFRONT COLD STORAGE FACILITY PROJECT
BOARD OF COMMISSIONERS PORT OF NEW ORLEANS**

NOVEMBER 10, 2009

Item 1. Extension of Deadline for Submitting Statements of Qualifications

The deadline for the Port of New Orleans to receive Statements of Qualifications has been changed to NOON CST instead of the 8 a.m. CST stated in the Request for Qualifications and other documents previous to this Addendum No. 3. All other requirements for submission remain the same stated in the Request for Qualifications.

Item 2. Design Build Applicant Entity

DELETE on page 8, SOQ Required Forms, the following sentence in its entirety:
If the Design Build Applicant Entity is not yet a legal entity...shall sign the form.

ADD to page 8, SOQ Required Forms the following:

The Design Build Applicant Entity indicated on Forms 1 thru 12 in the Statements of Qualifications must remain as that legal entity throughout the Design Build process and award by the Board will be to that legal entity. Execution of the design-build contract by the Board will be with the same Design Build Applicant Entity as indicated in the Statement of Qualifications and in the Technical Proposal which were used to evaluate and select the Design Build Applicant Entity.

Deborah D. Keller, P.E.
Director of Port Development
